"Hello there our dearest future guest and client (probably ;)  
Let us tell you our story from the beginning"

"I am Ioannis Aronis and for the last 15 years I have been involved in various projects around the world as an Executive General Manager in Restaurants & Hotels in multisite operations, providing thorough HR Management, Marketing Management, Sales Development, F&B Management, Personnel Training & skilful support in senior executives, managers, supervising all aspects of projects & venues."

"For the last 6 years as a founder and CEO of the **"Storyteller"** Company my partners and I have been involved in some amazing projects In the Hotel and Catering Sector/Industry.  
The "Storyteller" Company also offers consultancy services to other companies and vendors."

"It all started for me back in the distant 1998 of the previous millenia! After finishing University and with the my Bachelor Degree in Hospitality in my backpack I started the amazing voyage to the tourist Industry!  
23 years later, I am still evolving, becoming better and always keep track of the industry's changes."

Today,  
with a company of 20 experienced exterior and interior designers, marketing associates  
and F&B managers we literally create hospitality Industry's tomorrow, today.
